# Grave Decorations Beautify Highland Memorial Park

When new families visit Highland Memorial Park, they remark about the large number of grave decorations. It is estimated that over 8,000 graves are decorated during each summer season, enhancing the tranquility of the cemetery for all visitors.

Highland Memorial Park has specific rules and regulations regarding the kinds of decorations that may be placed. These rules and regulations change with the seasons. During the summer it is required to use regulation bronze vases. We make four short exceptions for specific holidays. During the winter, regulation bronze vases must remain recessed for their protection and we recommend that decorations be on an easel at least 3 feet tall. This helps us avoid them if we need to prepare for a burial in that area.

While families may bring their own decorations, Highland Memorial Park offers both winter and summer decorations. We install and remove all decorations based on our decoration schedule. Purchasing grave decorations from Highland Memorial Park helps us hire summer workers to perform the extra tasks that are required during the summer season. Most of these workers are students and retirees, many who return for multiple years.

Highland Memorial Park offers two ways to arrange for grave decorations. You may purchase on a yearly basis or arrange for a long-term decoration account. This is a convenient way be sure that grave decorations are placed, without having to contact us each year. You may set aside any amount to cover as few or many years of decorations. Please contact our office for more information or if you have questions.

## Summer Flowers

Highland Memorial Park offers beautiful Silk Flower Bouquets to be placed in the vase at the grave of your loved one.

Highland Memorial Park will place the arrangement you choose in the Vase at the location selected. The flowers will remain in the Vase until Fall and will be removed and discarded after October 16th. Flowers may be placed only in Regulation Bronze Vases.

We also offer Floral Trios. With this program three (3) Bouquets are placed each year, one in the Spring, one in the Summer and one in the Fall.
